The Four Way Test

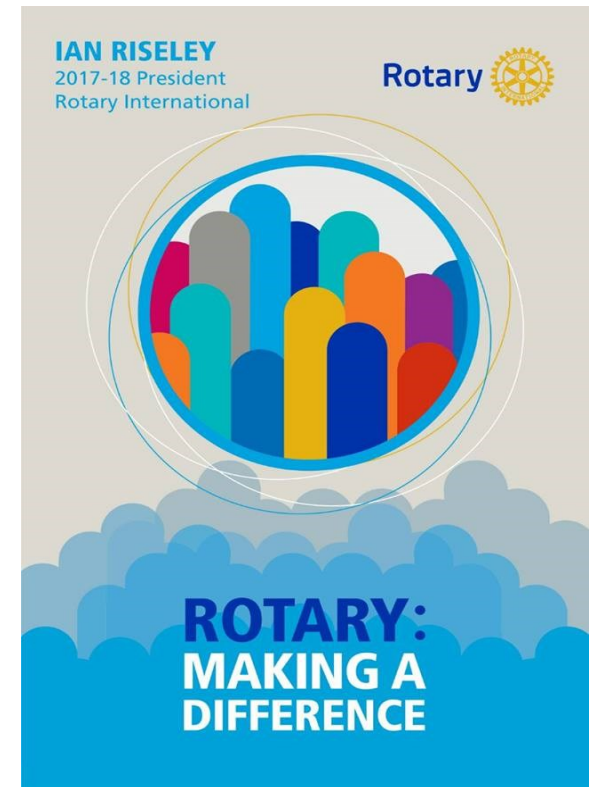

Rotary's guiding principles serve as a foundation for our relationships with each other and the action we take in our communities. The Four-Way Test forms the cornerstone for our personal and professional interactions. The test has been translated into more than 100 languages, and is a part of all club meetings:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

This is the theme and logo for Rotary International 2017-2018. Rotary is a service organization and has more than 34,240 clubs and 1.2 million members in 200 countries worldwide.
