On December 28th, 2016 our father, husband and friend, Scott Lee, passed away from Glioblastoma, the most aggressive form of brain cancer. Over the last 2 years we have participated in several events to raise awareness for Glioblastoma, but this year we have decided we wanted to start giving back in his honor.

We are working to create a scholarship in Scott's name. Scott was a lifelong Hudson resident. He was a graduate of Hudson High School (Class of 1978). He served in the Marine Corps and rose through the ranks to become Chief of Police at the Shaker Heights Police Department. The scholarship will to be given to a student interested in going into the field of criminal Justice/Law enforcement.

Please join us in this fun and worthwhile event to help keep Scott's memory alive while serving the students of Hudson.
