## Flow of the day

1. Starting time 9:00 am Wickham will provide lunch and we hope to be finished by 12:30
2. You may help for all or part just let us know when you sign up.
3. Many hands make light work so if you want to include family or friends great just need a count.
4. I asked Debbie where she needs help, and this is what she sent. Lots of Options 😊
  - **Delivery drivers**- Possibly if people have covered SUVs, Vans. We usually drive our refrigerated trailer to the hospital, but I am not sure it will make the trip. (if we have more than 100 jars then we can deliver to local senior homes, Atria of course)**Delivery is after lunch by 1:30 or 2pm**
  - **Arrangers**- No skill is necessary other than clipping off leaves and stems and placing in mason jars. This was a under shelter sitting type job
  - **People to Tie on our Card** - Wishing you sunshine in your day another under shelter sitting job 😊
  - **Sunflower Harvesters** - Need lots to fill buckets Lots of walking wear comfortable shoes and dress for weather I suggest a hat 😊 If you are uncomfortable around bees this might not be for you (no pun intended) they won't bother you but they do enjoy the flowers.
  - Gator Drivers (likely Wickham workers) to drive filled buckets to the arrangers - likely on the side porch in the shade.
