*Happy 22<sup>nd</sup> Anniversary*

**Rotary District 7505 Gift of Life Foundation, Inc.**

December 2018

Dear Friends,

Every year many children are given lifesaving heart operations by teams of surgeons and nurses who travel the globe to perform these procedures. These surgeons and nurses give their skills and time, without cost to provide those with little or no access to this type of medical help. The ROTARY DISTRICT 7505 GIFT OF LIFE FOUNDATION provides the funds for travel and medical supplies to make this a reality for these children and we need your help to raise the necessary funds for this year's work!

ROTARY DISTRICT 7505 GIFT OF LIFE FOUNDATION will be hosting our 22<sup>nd</sup> annual fundraiser "Winter Gala" on Saturday February 9, 2019 at Lucien's, 81 West White Horse Pike, Berlin, NJ 08009. All donations, no matter the amount will save children's lives that have no other hope for a cure. But wouldn't it be nice to have a banner (see flyer).

Your club or your business or even you can support our fundraising event by placing an ad in our ROTARY DISTRICT 7505 GIFT OF LIFE program Journal or you may donate a basket or item to our silent auction that evening.

This is the only fundraising event that the ROTARY DISTRICT 7505 GIFT OF LIFE FOUNDATION has throughout the year. We truly depend on your generosity for the continuation of this program. Help us to save children's lives and provide hope to them. All checks should be made payable to the ROTARY DISTRICT 7505 GIFT OF LIFE FOUNDATION.

Thank you in advance for your support and encourage all to become involved.

Sincerely,

Kathy Hiltner
