

Introduction (Carl-Heinz)

Open the door to money to do good

The **Grant Management Seminar (GMS)** is mandatory for clubs in order to qualify to apply for Global Grants. At least one member of your club has to attend the GMS but clubs can also qualify when one or more of its members do the Online course on the RI website. In addition to the GMS the President and Incoming President have to sign the MOU which you will also find on the RI-website.

I know it is difficult in these economic tough times, but please donate to **The Rotary Foundation** (TRF) as it is the best bank in the world for two reasons:-

- 1. It gives you the highest rate on return, in our D 9350 case, up to 300-400% and;**
- 2. It doesn't run away with your money!**
