

**SAVE-THE-DATE! SAVE-THE-DATE! SAVE-THE-DATE!**

**INVITATION**

**AWARENESS EVENING**

**THE ROTARY CLUB OF BLOUBERG**

cordially invites you to our special guest speaker evening with  
polio survivor, **DR MARLENE LE ROUX**

Well-known in the Western Cape for her disability activism, **Marlene le Roux**, is the CEO of Artscape Theatre in Cape Town. She grew up with a love for music, a passion for people and a disability due to contracting polio as a baby. Growing up where she did, offered her a life of poverty but she refused that offer. She refused to cover up her brace, refused to be poor, and refused to live a life of self-pity. Instead, she became a woman of exceptional worth.

“I realized that I needed to educate and to drive myself, and I was not going to sit in a corner and say, ‘ag shame, this has happened to me’. I was going to make it.” She became the renowned Dr Marlene le Roux, who found freedom on the stage, captivating audiences with her pitch perfect voice, contagious wit and fabulous sense of humour. *And to end off the evening - a huge surprise hopping onto the stage with Marlene!*
