

Rotary Club

Helderberg Sunrise

Rotary over the past 30 years has eradicated 99.9 % of polio throughout the world by immunizing 2.5 billion children. This year only 29 cases have been reported world wide.

On **24 January 2019** we are having an awareness evening in which we hear Brenda Cressey, The Rotary Foundation Trustee, share with us her personal touching polio story followed by showing the movie Breathe, an inspirational true story of one person supported by his wife and family to overcome and help fellow patients and the disabled.

Venue: Goldeneye venue, Bel` Aire, Somerset West

Ticket Price: R 180.00 includes a light supper served from 18:00

Online bookings with EFT payment at: <http://bit.ly/HSRC-polio-2019>
