RFHD 2017 WORKSHOP – SATURDAY 22 JULY 2017

INTAKA ISLAND ECO CENTRE

Century City, Cape Town from 9-12midday

THE ROTARY FAMILY HEALTH DAY IS ON AGAIN!!!

Tuesday 3 October to Thursday 5 October 2017

Dear Club Presidents, Secretaries and RFHD Site Champions

Sincere congratulations to you all as you begin your year of Rotary Service.

I wish you all every success as you will be the driving force to encourage and motivate the Rotarians in your club to

“Make a Difference”, as requested by **RI President Ian Riseley**, and lead your club to greater heights of achievement as you go out to serve your communities with passion and commitment.

It’s also another year and another opportunity for your club to participate in the RFHD campaign.

Having taken heed of your comments and suggestions, this year it will take place during the school holidays, from **TUESDAY to THURSDAY - from the 3- 5 October 2017**

We have already received the enthusiastic blessing and support from the Minister of Health, Dr Aaron Motsoaledi, and next week I shall attend a joint meeting with the National Dept of Health in Pretoria and all the RFHD partners from around the country, to co-ordinate and finalise all the arrangements – following which I will be in a position to give you feedback

Our goal remains to provide free core health services at our “One Stop Service” sites - as in previous years - as well as adding value with various “add-on” services. If you have any ideas or input, I would be delighted to hear from you.
