24 HOURS OF REALITY: TRUTH IN ACTION

CLIMATE CRISIS PRESENTATION

21 NOVEMBER 2019 @ 18:00 – 21:00, CAPE TOWN

On 20 - 21 November 2019, the African Climate Reality Project, together with all the International Climate Reality branches will be hosting **24 Hours of Reality: Truth in Action** – a global conversation on the climate crisis and how we can solve it, and we want you to join us.

For a full 24 hours, Climate Reality Leaders trained by Nobel Laureate and former US Vice President Al Gore will be presenting 24 Hours of Reality: Truth in Action in hundreds of communities all around the world.

The African Climate Reality Project in collaboration with Rotary International District 9350, is hosting the Cape Town leg of this global day of action, and we would love to see you there!

The evening will be packed with action-inspiring, solutions-based conversations about the climate crisis. The exclusive 24 Hours of Reality: Truth in Action presentation will be led by Climate Reality Leader, Professor Nick King - an international consultant on global change with 25 years international experience working with climate related structures in the United Nations. Entry is free, and food and drinks will be provided.

When: 21 November, 18:00 – 21:00

Where: Workshop17 @ The Watershed, V & A Waterfront (more details on Page 2)

RSVP: <http://bit.ly/TruthInActionCT> or at africa@climatereality.com

In partnership with One Tree Planted, The Climate Reality Project will plant one tree for every attendee. By attending you will help reforest critical areas around the world!

As teenage climate activist, Greta Thunberg says, "The most important thing we can do right now is to inform people about what is actually going on" – so join us in this global climate conversation, and put climate truth into action.
