Pickleball is the fastest growing sport in America, with over 4 million players! Pickleball is a paddle sport that combines elements of badminton, tennis, and table tennis. Two or four players use solid paddles of composite materials to hit a ball, similar to Wiffle Ball, over a net. There are pickleball clubs including Montgomeryville (200 members), Lafayette Hill (400 members), Upper Moreland (400 members), Warwick (210 members), Chestnut Hill (400 members), and Doylestown (325 members). We are expecting over 180 participants playing in this event, as well as many friends, family and students from Hatboro/Horsham High School in attendance.
