5 pm - 8 pm

Hillside, New Jersey

You are invited to enjoy a rare opportunity to experience a piece of American automobilia history up close and personal at a private museum housing New Jersey's **oldest one-of-a-kind turn-of-the-century car collection**. This is a once in a lifetime chance to step back into an era that most of us have only heard about!

This exciting, rare vintage auto collection in a 16,000 sq. ft. building includes a 1906 Darracq, 1907 Indian Motorcycle, 1909 Harley Davidson Motorcycle, 1906 Buick, 1909 Ford Model T, 1904 Curved Dash Oldsmobile, scooters, bicycles and an amazing array of transportation-related memorabilia from the turn of the century. It's packed with dozens of brass-era automobiles and motorcycles that you'll only see here!

This private, **by-invitation-only event** includes an amazing selection of wine, craft beers, cheese, an abundance of delectable finger foods, desserts, a 50-50 and live auction.

Tickets are limited to 100 and are available on a *first-come, first served basis*. We invite you to share a memorable evening of automobilia, memorabilia, along with wine, beer, cheese and finger foods, plus an array of delicious desserts.

— We promise an evening you won't forget! —

Proceeds from this event will benefit two Union County families faced with the crisis of pediatric cancer thru Emmanuel Center Foundation, an organization that helps NJ families face the challenges of childhood cancer.
