FIVE REASONS TO JOIN ROTARY

1

FRIENDSHIP

In an increasingly complex world, Rotary provides one of the most basic human needs, the need for friends and fellowship. It's one of the two reasons Rotary began in 1905.

2

FUN

Rotary is fun. A lot of fun. Each meeting is fun. Club projects are fun. Social activities are fun. And the service is fun.

3

BUSINESS DEVELOPMENT

The second original reason for Rotary's beginning. Everyone needs to network. Rotary consists of a cross section of every business community. Its members come from all walks of life. Rotarians help one another, and collectively help others.

4

FAMILY

Not only is Rotary exceptionally family friendly, it offers one of the world's largest youth exchange programs, high school clubs for future Rotarians, spouse programs and a host of activities designed to assist families with the growth and development of family values.

5

THE OPPORTUNITY TO SERVE

Rotary is a service club. Rotarians provide community service. This is the best reason to become a Rotarian, the chance to do something for someone else. And to sense the self fulfillment that comes as part of the process.

THOUGHTS ABOUT ROTARY

"Rotary creates the perfect venue for me to give back to the community I live in while enjoying the camaraderie of positive and active individuals."

TOM

"Rotary is a tremendous network. Leaders in the community can connect and reach out to people in need."

RUSSELL

"A week doesn't go by that I don't learn something new from the speaker at our club or just from working on projects with people. It's an opportunity to grow indefinitely."

SARAH

"Rotarians are very much more favourably disposed toward action than they are toward words."

PAUL P HARRIS

"We want families with children to join Rotary, so we try to be very flexible. Family commitments always take precedence."

WENDY

"It's simple. The more members we have, the more people we can help. A stronger membership base will result in stronger communities."

GARY

"There's so much diversity in the work Rotary does. It can give you exposure to so many different areas and help you find what your interests really are."
