October 13th is designated as the **International Day for Disaster Reduction**, an international day that encourages every citizen and government to take part in building more disaster-resilient communities and nations. In 2002, the UN General Assembly decided to maintain the annual observance as a vehicle to promote a global culture of natural disaster reduction, including prevention, mitigation, and preparedness.

In North America, it is also [National Train Your Brain Day](#), [National M&M Day](#), and (worryingly) [National No Bra Day](#)

Last week's presentation: DG John Berry

Post-lunch Brains Trust meeting...

Thank you, Bev, for the beautiful Fall-themed table settings, and for arranging lunch - \$500+ raised for Polio Plus!

Compelling presentation from DG John Berry in which he outlined the 2022-23 priorities of RI and District 5040 ([click here to see the D5040 Strategic Plan](#)). He also put out the call for support at the District level – many roles need to be filled if the District is going to be able to fulfil its key role of supporting the clubs ([click here to review the opportunities](#)).

A SUBLIMATION MACHINE & PRINTER**

We are currently fundraising to purchase a sublimation machine and printer for the Quesnel Pride Society. With this machine we can print our own mugs, water bottles, tumblers etc. that we can then sell online to raise funds on an ongoing basis.

The total cost is \$1,604 with tax (not including shipping).

You can donate in \$10 increments online through our website.

Go to <https://www.quesnelpride.ca/product-page/donate-now>

[In Checkout, select "Quesnel & District" for \$0.00 "Shipping"]
[If paying by e-transfer, specify "mug machine donation" in notes]

*Sublimation is a method of printing that transfers a design into or onto a material or fabric using ink and heat.
