

Feed-U-Cate 38 – Nutrition for Learning

Feed-U-Cate 38 – Nutrition for Learning is a Richmond School District #38 program that was established in Fall 2012 by a committee of students and staff and its goal is to educate the community about schools' food programs as well as to invite community donations to support these breakfast, lunch and snack programs for elementary and secondary students in need.

We are grateful to individuals, school groups, school PACs, and community organizations for their generous donations to **Feed-U-Cate 38** over the past years. An annual Report to the Board outlines each year's donations and school allocations. All schools have expressed their appreciation for the financial support they have received from **Feed-U-Cate 38**.

The Richmond School District acknowledges that “it takes a village to raise all our children,” and as such continues to seek ways to collaborate with community partners to help lessen the negative impact of child poverty in schools and the community.

If you would like to make a donation, please contact Wendy Lim, Assistant Superintendent wlim@sd38.bc.ca and/or Marie Ratcliffe, District Administrator mratcliffe@sd38.bc.ca
