

RAT PACK PROJECT—YO HOUSE, WAIKIKI

(THAT'S ROTARY ACTION TEAM☺)

Our Rotary Action Team project coming up August 5th and 12th is to support the **homeless teenagers of Honolulu**. We will be working these two Saturdays to make YO House, 415 Keoniana Street (near Kalākaua statue) a better support facility for these at-risk youth.

We will be supporting two Honolulu agencies that work to support Honolulu teens. YO House is **Waikiki Health Center's and Hale Kipa's** outreach for homeless teens in the central Honolulu area. Their mission statement says it all: "...provides opportunities and environments that strengthen and encourage youth, their families and communities to actualize their potential and social responsibility. With a range of services for at-risk/high-risk youth, YO House improves the lives of youth through shelter and support, commitment and advocacy."

I know almost all of us feel the need to contribute to "working the homeless problem"—that is, doing something about the homeless—our Rotary Action Team is leading with this project at YO House. **Come on along—make Rotary memories.**

Who belongs to our **Rotary Action Team**? The answer is: **any Rotarian, family member or friend of Rotary who participates in RAT Pack projects. We all do!**

**WASH AND PAINT THE BUILDING, LANDSCAPING, HOUSECLEANING, ASSEMBLE REPLACEMENT SHED, PAINT PICNIC TABLE AND OUTDOOR FURNITURE, SORT USED CLOTHING, OTHER STUFF—
SOMETHING FOR EVERY SKILL SET! YA'LL COME!!!!**
