

Cleaning Up Leaves at Bower's Mansion, Saturday, Apr 24 9:00 am to 12:00 pm.

Rotary Club of Reno Sunrise has organized a community / conservation service project to clean up the fallen leaves around Bowers Mansion. As a Rotary club, Pack, Troop, and Crew, we will all show up and help in this project for all ages. This is a great time to invite friends to help with the service project and then join us for lunch afterwards.

On Apr 24, 9:00 am we will meet at Bowers Mansion in the parking lot.

After the all the leaves are raked up and placed in dumpsters, we will enjoy a BBQ lunch provided by our Charter Organization, Rotary Club of Reno Sunrise.

We Plan on being done with the service project by 12:00 pm and then eating lunch.

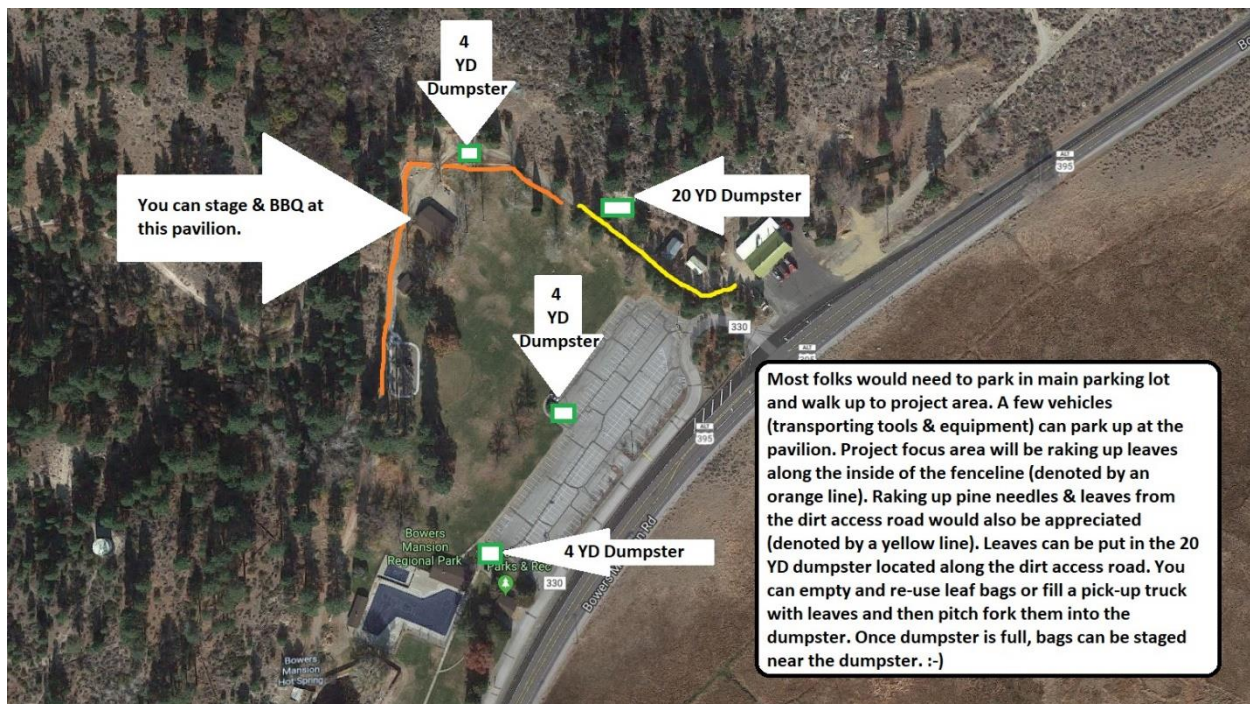

Lunch will include grilled hamburgers, hot dogs, and bratwurst. Drinks and sides.

What to bring:

Please come prepared to work outside, we are looking to have fair weather this weekend but expect the morning to be on the chilly side.

Bring work gloves, if you have rakes, leaf blower, snow shovels (good for picking up leaves), please bring them. We will have a generator on site to provide power for electric blowers.

Here is a map of what we will be raking up and where we will be staging the BBQ.

Thank you and if you have any questions please call or email,
