

Ralph Klein Park – Visitor Information

Washrooms

Washrooms are located on the main floor and second floor of the Environmental Education Centre at Ralph Klein Park. Outdoor washrooms are located on the far side of the Green Field.

Water

The tap water at Ralph Klein Park is not potable. Please use the provided Culligan water coolers in the meeting rooms and main floor hallway for drinking water.

Smoking

A designated outdoor smoking area can be accessed through the doors behind the front desk. The smoking area is marked by a cigarette disposal receptacle.

Emergency Evacuation

In the case of an emergency, please exit the building using one of the doors marked with a red exit sign.

The muster point is located at the far side of the public parking lot, at the entrance of the walking trail. The muster point is marked by a sign.
