About Rotary and Being Involved in Your Community

 Rotary Club of York

Rotary is a worldwide organization of more than 1.2 million business, professional, and community leaders. Members of Rotary clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

There are 34,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are nonpolitical, nonreligious, and open to all cultures, races, and creeds. As signified by the motto Service Above Self, Rotary's main objective is service - in the community, in the workplace, and throughout the world. Are you interested in being involved and volunteering in Markham? The Rotary Club welcomes you to visit one of our friendly dinner meetings and consider becoming a part of the Rotary Club. We are a group of professional men and women who meet on a regular basis to see what we can do to make a difference in our community, and beyond. PolioPlus, the most ambitious program in Rotary's history, is the volunteer arm of the Global Polio Eradication Initiative. For more than 25 years, Rotary has led the private sector in the global effort to rid the world of this crippling disease. Today, PolioPlus and its role in the initiative is recognized worldwide as a model of public-private cooperation in pursuit of a humanitarian goal. To date, Rotary has contributed more than US\$1 billion.

Rotary's leadership, beginning in 1985, inspired the World Health Assembly to pass a resolution to eradicate polio, which paved the way for the formation of the Global Polio Eradication Initiative in 1988.
