

# 20 Reasons why Rotary Ham is better than Turkey !!

1. Bones, what bones?
2. No drum sticks to fight over ...the smallest kid always gets one anyway
3. No wrestling over white or dark meat
4. No worry about soggy dressing or putting your hand inside ... IT !
5. No *Pope's Nose* to fret over
6. Doesn't require a computer to figure out thawing and cooking times
7. Will fit in smallest microwave oven ... for fast last minute start
8. Carving is easy ..start at either or both ends .. nobody argues
9. Gravy, hot/cold , good /bad, is not an issue and ketchup can be on table
10. Carved pieces look good... not like cut by a teenager using a chainsaw
11. You just had turkey at Thanksgiving...remember
12. No turkey leftovers like everyone else ... you're an envied individualist
13. Doesn't freak out the family pet parrot (where applicable)
14. Can be carried under one arm leaving hand(s) free for *Christmas Cheer*
15. Can be safely used for Christmas Eve impromptu family football game
16. Stays fresh on loading dock or even in car trunk ... right Julia ?
17. Stacks nicely ... try that with turkeys
18. Gift receiver thinks they are getting shoes ... what a neat surprise!!
19. No '*turkey makes me sleepy*' conversations after dinner
20. Rotary hams do better work in our community than turkeys
