Come join us on the grounds of Braeside Camp for a beautiful afternoon to enjoy a variety of local craft beers including featured selections from Breweries here in Orange County.

The last two years we have enjoyed sampling local and NYS wines. This year, local Craft Beers will be the feature of our event. Craft Brewing has really grown over the past few years and if you have not yet noticed, multiple breweries have opened right here in and around Orange County.

Your admission ticket includes beer samplings, bottled water, soda and food served throughout the day. (For those who prefer wine, we'll still have a limited variety of wines available.) Another big change for this year's event, the food!! BBQ chicken, sausage, hamburgers and hotdogs and homemade cornbread will be the main menu. Other salads and snacks will also be available.

Corbett Hall will be open for all to enjoy a cozy afternoon with the fireplace going and music to enjoy. Weather permitting, lawn games will be available outside on the grounds of the camp or you can also sit outside under the pavilion.

All proceeds benefit Braeside Camp. For over 100 years, Braeside has provided economically disadvantaged and foster children of Orange County with a summer camp experience. Thank you for supporting Braeside Camp!!

Come out and enjoy the day with your friends for a great cause!
