Wedgewood Banquet Center, 5880 Olivas Park Drive, Ventura

From 1984 the Ventura County Library Adult Literacy Program has helped thousands of Ventura County adults achieve personal literacy goals such as passing GED tests, U.S. citizenship, and gainful employment. The program has been recognized as one of the top community based literacy programs in California.

Rotary is an organization of business and professional men and women united worldwide to provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill around the world. The Rotary Club of Ventura South is dedicated to the cause of literacy. We are proud to sponsor this event to better the lives of those in our community.

What is the Trivia Challenge and How can I participate?

The Trivia Challenge is a general knowledge game similar to the television show Jeopardy. Teams of three members are asked a question and have 30 seconds to collaborate and write down their answer. Teams that answer correctly are awarded a point and the teams with the most points win. Winning teams receive community recognition and a trophy. The evening is designed to be fun and educational. Teams are placed into categories. The categories are Youth (under 25), Service Club (Rotary, Kiwanis, Lions, etc.), and Community/Individual.

Entry fees are \$375* per team. Individuals can pay \$125* and will be placed on a team or teamed up with other individuals. If you don't want to compete, but would like to support our cause, please consider a donation. Donations can be for whole team or partial team. All fees, and donations, are tax deductible.
