DISTRICT 5710'S INAUGURAL MILLION DOLLAR DINNER

FEBRUARY 15, 2014
6PM, OVERLAND PARK SHERATON

A Gala Event for TRF

Attendees of the Million Dollar Dinner pledge a minimum of \$10,000 in new cash pledges or bequest to **The Rotary Foundation**.

Cash donations can be made over a three year period.

All commitments qualify towards Paul Harris Fellowship or benefactor/bequest status and towards your club's Foundation goals.

100% of all qualifying commitments and donations raised for this event go directly to The Rotary Foundation.

Co-hosted by the **President of Rotary International**, this is a formal, black-tie, gala event. Join us **February 15, 2014** as we gather to show our support for Rotarians doing Good in the World!

Cash or other Assets

Your current commitments to The Rotary Foundation are honored and appreciated. This event is about raising new funds for the Foundation. Therefore, only commitments greater than your current donations, pledges, or commitments to The Rotary Foundation qualify toward our \$1,000,000 goal and attendance.

Cash donations are encouraged and greatly appreciated. Additionally, donors can structure a planned gift either during or after their lifetime. Real estate, retirement plan assets, appreciated stock and other assets transfers provide the potential for tax-exempt giving. Please consult your tax professional for specific strategies beneficial to you.

Your Club Captain or a Chair/Vice-Chair will guide you to the right resource for making this decision regarding your donation.

Bequests

Perhaps the easiest way to qualify with the least burden to your cash would be to join the Bequest Society. Recognized with a special Paul Harris emblazoned label pin with diamond and a crystal plaque for display, members of the Bequest Society pledge a minimum of \$10,000 to TRF upon their passing through their will/trust or insurance benefits.

Some Cash - Some Bequest

- Make the choice to blend some **cash** with some **bequest** to qualify for the dinner.
- Consider joining the Paul Harris or Sunflower Societies and your commitments of **new pledges** over the next three years will go toward your qualification. For example:
- If you're already generously donating \$1,000 to TRF as a Paul Harris Society member, your cash commitment to your \$10,000 qualification can increase by joining the Sunflower Society, a \$2,500 annual pledge to TRF. The \$1,500/yr. increase in your current \$1,000/yr. pledge will go towards your dinner qualification over the next 3 years. Thereby \$1,500/yr., or \$4,500, in cash towards your qualification. The remaining \$5,500 can be made up by increasing your bequest to TRF in your will/trust.
