

## Challenge to Lead Program

### What is the Challenge to Lead program?

It is a 2-day residential leadership program run by the Rotary Club of Manningham City on **16th – 17th May 2024**.

It is delivered pro bono by dedicated professional facilitators including the former Director of HR for HP and Telstra, a Senior Fellow Melbourne Business School, an advisor to Mt Eliza MBA program and a Principal Fellow of the Melbourne University Business School.

### What is in it for your Rotary Club?

Throughout the District there is a pool of contacts and potential participants in management and professional positions who would either benefit themselves or recommend others who would benefit from the Program.

If a program participant is referred by a Club, **the Club gets \$500** as a 'spotter's fee'.

### Who should attend?

Participants have come from a wide range of organisations including local government, multinational companies, not for profits (NFPs), statutory authorities and small to medium sized businesses (SMEs) and the program received many ringing endorsements.
