

# BEACH PARTY!!!

## Sunday Afternoon - After the District Conference

The satellite members of the Rotary Club of Summit County are pleased to invite all participants in the District 5450's annual conference to come prepared to have a little fun on **Sunday afternoon, April 24**, beginning as soon as the Conference has ended and continuing through mid- afternoon. **Rotary's Second Annual Beach Party will happen at the base of the Arapahoe Basin ski area**, located on Highway 6 between Keystone and Loveland Pass in Summit County and on the way home to the Front Range communities. We have a double space reserved on A Basin's famous "beach", and will provide music, beverages, grilled burgers and sausage, and other snacks.

Drop by for a little optional skiing or riding. Hang out for lunch and relax with your fellow Rotarians. Beachwear costumes optional. See you there!
