

A VISION TO **END** WORLD HUNGER

Stop Hunger Now has been fulfilling its commitment to end hunger across the globe for 15 years. Established in 1998, Stop Hunger Now coordinates the distribution of food and other life-saving aid to crisis-burdened areas around the world. This is accomplished through popular community-supported meal packaging programs that often are part of corporate responsibility or volunteer service projects.

Together we can end hunger...
around the corner and around the world!

A Newark Community Event - 30,000 meal challenge -
will be held on September 18th & 19th
at St. Mark's Episcopal Church.

Please join us at our 2nd planning meeting,
May 26th at 10:00am
at Park Presbyterian Church.

The project's success depends on funding and recruiting volunteers to package food. Many from our community have participated in a recent event held in Penfield. There is great enthusiasm to hold this event in Newark. Come and learn how you can get involved.
