Let's Glow!

Lantern Release Wish Party
June 2, 2016 5:30 pm-8:00 pm

(Inclement weather date: June 9)

John Wright Restaurant ♦ 234 North Front Street, Wrightsville, PA ♦ 5:30 pm– check in ♦ 7:30 pm – lantern release

Historically lanterns have been used to symbolize good fortune, request favorable weather, or to celebrate the life of a loved one. At the **Uptown York Rotary Club's Lantern Release Wish Party**, participants will be provided with their pre-purchased lanterns and be a part of an unforgettable evening! Join us for food and fun, and when the time is right, help light up the sky over the Susquehanna River with our greatest hopes, fondest memories, and biggest dreams.

Each registrant will receive their own lantern at the event. These environmentally friendly 100% biodegradable lanterns are \$15 each. Proceeds will benefit nonprofit agencies through the UYRC's charitable grants program. Arrive two hours prior to the launch, with your families and friends, and purchase food and drink at the John Wright Restaurant, and of course, stay to watch the spectacular moment as the lanterns float away!
